I am a Research Fellow at the Macquarie University Centre for Health Economy. I have a keen interest in leveraging novel large datasets, from social media to maps and administrative records, to extract meaningful insights, and in utilizing and advancing state-of-the-art statistical models.

PRIMARY: Health Economics, Applied Econometrics

SECONDARY: Statistics

## Education

|           |                                                                              |
|-----------|------------------------------------------------------------------------------|
| 2020-2024 | PH.D. IN ECONOMICS, The University of Queensland                             |
| 2019      | MASTER OF ADVANCED ECONOMICS, The University of Queensland                   |
